

ABOUT THIS HAND BOOK

(WE APOLOGIZE - WE HAVE A NEW WEBSITE AND THE EMPLOYEE HANDBOOK PREVIOUSLY SHOWN THERE WAS INCORRECT.)

This handbook is simple and basic. We present a few of the essentials here. Any additional questions you might have you can get from your manager or other employees.

Cell Phone: Leave it at home or in your car. If we see you on your phone, it will be put in a locked drawer to be used on your break.

Dress Code: There is a specific dress code for different jobs. We will cover those in a future interview.

Wages: All wages are negotiable between you and your employer. They are private and not to be discussed with other employees!

Tips: Pooled Tips are not an entitlement. If you leave without the customary two weeks notice you will sacrifice your tips

Shift changes: No Call, No Show, NO JOB!

Code of Conduct: Do what is right and behave yourself at all times!
